  font-family: Arial, sans-serif;
  text-align: center;
  background-color: #f4f4f4;
  margin-top: 100px;
}

/* Counter number */
#count {
  font-size: 60px;
  margin-bottom: 30px;
}

/* Buttons */
button {
  padding: 10px 20px;
  font-size: 16px;
  margin: 5px;
  border: none;
  border-radius: 5px;
  cursor: pointer;
}

/* Individual button colors */
.increment {
  background-color: green;
  color: white;
}

.decrement {
  background-color: red;
  color: white;
}
```

```
.reset {
  background-color: gray;
  color: white;
}

/* Hover effect */
button:hover {
  opacity: 0.8;
}
</style>

</head>
<body>

<h1 id="count">0</h1>

<button class="increment" onclick="increment()">Increment</button>
<button class="decrement" onclick="decrement()">Decrement</button>
<button class="reset" onclick="reset()">Reset</button>

<script>
let k = 0;

function increment() {
  k = k + 1;
  document.getElementById("count").innerText = k;
}

function decrement() {
  k = k - 1;
  document.getElementById("count").innerText = k;
}

function reset() {
  k = 0;
  document.getElementById("count").innerText = k;
}
</script>

</body>
</html>
```

Output:

2

Increment

Decrement

Reset

Simple Calculator With UI – Day 2 practice
